REQUEST FOR CERTIFICATE OF CORRECTION, OFFICE MISTAKE

June 15, 2007

Sir:

Correction of a typographical error made by the Patent Office in claim 1 of the above-identified Patent is respectfully requested. The completed Certificate of Correction form is attached.

Claim 1 of the Patent, last paragraph, should refer to word lines that are arranged parallel to each other "in plan view" not "in plain view" (emphasis added). The mistake occurred following applicant's December 20, 2000 Amendment in which claim 1 was amended to add "other in plan view." A copy of the first page of this Amendment is also attached.

The printed Patent includes the typographical error wherein "plan" was printed as "plain." This error apparently occurred during printing of the Patent by the Office.
